~ **EXPANDING THE DISCOVERY TEAM, ONE VETERAN AT A TIME** ~

To NuLegacy shareholders/stakeholders:

Click to [view](#) news release

Good morning, folks,

In our Feb. 9th [news release](#) and [CEO's chat](#) we hinted at re-expanding our geo-team with the focus on recruiting the 'discoverers' and/or 'contributors' to the expansion of the [seven known](#) elephant-sized high-grade Carlin gold-systems in the world...**all in Nevada nicely aligned.**

"Success has many fathers'...failure is an orphan" ...numerous people put up their hand as contributing to the discovery of the Goldrush...and no doubt they did...however after some diligent historical review I've been able to identify the essential five or six that initially 'sighted' it..."

Today I'm pleased to announce the first of these significant contributors that we've enrolled, **Ms. Nancy Richter**...please see her bona fides in today's NR!

I will be travelling to Nevada early next week seeking to enroll more of these 'discoverers' in our pursuit of the next elephant. While it may not be evident in the marketplace yet, we are rowing hard 😊!

With a flood tide comes a back tide...that 'rebounds from the beach'...so if you don't row like heck...you won't get to shore...or to your objective!

Cheers,

Albert
