NuLegacy Gold Corporation (NUG:V) announces that it has retained Torrey Hills Capital, Inc. of Del Mar, California as investor relations consultants to the Company. Cliff Masticola is the principal of Torrey Hills Capital and will be responsible for activities related to NuLegacy Gold.

Torrey Hills Capital is a leading investor and financial public relations firm specializing in small and micro-cap companies, primarily in the natural resource sector. Torrey Hills Capital will increase awareness of NuLegacy Gold through presentation meetings with its established relationships with investment professionals, investment advisors, and money managers focused on the microcap market space. This will allow the NuLegacy to build and maintain an informed investor audience in both the U.S and Canadian marketplaces.

Torrey Hills Capital will also develop a profile on NuLegacy Gold for coverage on its website, [www.babybulls.com](http://www.babybulls.com), developed to showcase and provide exposure for emerging micro-cap companies to an audience of proven micro-cap investors.

"We are excited to work together with NuLegacy Gold," commented Cliff Masticola, President of Torrey Hills Capital. "NuLegacy's management has a history of success, and through its exploration activities, is well positioned to exploit rising gold prices. As a result, we believe that gold in general, and NuLegacy in particular, will be of interest to the investment community."

Torrey Hills Capital has been engaged for a term of six months at a monthly fee of US\$5,000 and will be granted stock options to purchase up to 150,000 common shares of NuLegacy for a period of three years at a price of \$0.20 per share. The Options shall be subject to the terms of the Company's stock option plan and will vest in accordance with the provisions therein and the policies of the TSX Venture Exchange.

Torrey Hills Capital currently has no direct or indirect interest in the securities of NuLegacy Gold, or any right or intent to acquire such an interest except pursuant to the exercise of the above referenced Options.

The appointment of Torrey Hills Capital as an investor relations consultant of NuLegacy Gold and the granting of the Options remain subject to regulatory acceptance of applicable filings with the TSX Venture Exchange.

*NuLegacy Gold Corporation is a Nevada focused exploration company exploring for Carlin-type replacement gold deposits on its two highly prospective district scale properties; the 100 square km [Red Hill](#) Project and the 80 square km [Wood Hills](#) South Project. Both projects have geology similar to that of the adjacent multi-million ounce gold [discoveries](#) that were made subsequent to our acquisition of the properties. The NuLegacy exploration and drilling programs underway employ proprietary techniques for targeting multi-million ounce deposits.*
