Changing of the Guard

~ New brooms ~

To my friends, family and NuLegacy shareholders/stakeholders:

Hi Folks,

[Click here to view the associated News Release](#)

Am emailing you to draw your attention to the executive changes at NuLegacy Gold.

You'll note the changed name of this blog/chat email...as our new Chairman, Alex Davidson does not chat much...he just gets things done. I've had the good fortune to have him as a friend and business associate for 30 years...ever since he built a beautiful little high-grade silver mine that I helped finance...the operative word...'little'...it ran out of ore after six or seven years...dare I say it...'unlike the behemoth Carlin-style gold deposits of the Cortez gold-trend that we are exploring for'.

So, on behalf of the BOD, *"Thank you James for your unstinting contribution to the success of NuLegacy and we wish you every success in your new adventure. On behalf of myself, thank you James for presenting me with opportunity to lead this 'best-in-class' governance and geo-technical team as we conclude this adventure in mine finding!"*

To the shareholders of NuLegacy, I'm delighted to be back as your CEO; with my long-time business associate Mr. Davidson as Chairman, the transition will be seamless."

And here's a couple of links to a bit of fun highlighting NuLegacy Gold team members:

- braving the snows of Nevada (elevation 3,500 feet) to advance the permitting process, <http://bit.ly/NUGSurveyVideo>
- and,
- a Geological Society of NV feature profile on our community Liaison Officer, JoAnn Newbury: <http://bit.ly/JoAnnNewbury>

Thank you and cheers,

Albert
