2015 in Review/2016 Objectives

~ A Kaleidoscopic view ~

To friends, family and NuLegacy shareholders/stakeholders,

Hi Folks,

+ [To view today's new release.](#)

Following up on last week's closing of our acquisition of Barrick's 30% working interest in the Iceberg deposit (thus Barrick becoming NUG's largest shareholder), I am now pleased to provide a review of 2015's successes and an outline of our 2016 exploration and corporate objectives.

While these yearly review and guidance news releases are a bit of a tome I highly recommend reading it. It gives a great kaleidoscopic view of the progress we are making from acquisition to discovery to capitalizing the values we have created.

Cheers to all,

Albert

Albert J. Matter
