

- THE MAGNIFICENT NINE WHO FOUND THE MINES -

**“Everything we saw that encouraged us at Goldrush exists on the Red Hill property in the Rift Anticline target,”**  
says Charles Weakly, NuLegacy’s ‘wizard behind the curtain’.

**Nine** members of NuLegacy's exploration team have been publicly<sup>i</sup> credited for making significant direct contributions to or playing important supporting roles in the discovery of **over 50 million** of the 250 million ounces of gold discovered in the Carlin and Cortez gold-trends of Nevada.
